FORT LAUDERDALE, Fla., Feb. 14 - Fort Lauderdale based IBS Investment Bank a division of Institutional Banking Services, N.A. CORP (IBS, N.A.) today announced financing for West Way Towing. The Florida based transportation company requested a facility that would assist in their expansion. The IBS facility was comprised of a term loan which is a unique platform (IBS AX) to overcome cash flow restraints commonly prohibitive for this industry by providing an analysis of the potential performance of the company while mitigating risks that would deter traditional financing. Since 1990 West Way has provided transportation services with its specialized fleet of over 50 commercial grade vehicles. We are excited to work with West Way as they continue to expand their fleet.
