*IBS Investment Bank offers institutional investors a distinctive array of qualified investment opportunities through its origination arm Institutional Banking Services, N.A. CORP.*

**FORT LAUDERDALE, Fla., August, 2015** — Fort Lauderdale based IBS Investment Bank a division of Institutional Banking Services, N.A. CORP (IBS, N.A.) today announced financing for Bari National Builders (Bari). The Florida based construction management company requested a facility that would assist in their expansion efforts. The IBS facility was comprised of a term loan which was collateralized by the company’s cash flow, inventory and vehicles. The unique platform at IBS, N.A. overcame cash flow restraints that commonly prohibit financing for this industry by providing an analysis on the potential performance of the company, while mitigating risks that would deter traditional financing. For over 30 years Bari has provided expert construction management services to clients nationwide. “We are excited to work with Mr. Deligio and his group as they continue their expansion efforts”, said IBS, N.A. SVP Gino Piompino.
